PROJECTS

SARGA - Printing
Order Managements System

Utilized React.js and Core UI to engineer a robust Order Management Admin Panel for Sarga Printing Company, showcasing proficiency in full-stack development. Streamlined order processes, enhancing efficiency in order capture, fulfillment, and payment processing. Adept at creating intuitive user interfaces and contributing to impactful projects.

MongoDB   Express.js   React.js   Node.js

Blue Tokai
E-Commerce website

Designed and developed a coffee product sales website, "Blue Tokai," using HTML, CSS, Bootstrap, and JavaScript. Implemented a seamless user experience on a single webpage, showcasing proficiency in front-end technologies. Demonstrated creativity and technical skills in crafting an engaging online platform for product presentation and sales.

HTML   CSS   Bootstrap   JavaScript
